That would be great! Joy is planning for mid-May, I think she's proposing the week of May 19th. Sounds good, keep me updated.

Dania,

It will a good experience for you to travel with Joy on this trip and see the Gilt Edge Site. It is a very interesting site. So, plan on going. Keep me posted as to when this trip will occur. I am thinking the Abandoned Mine Uranium Mine PA will be completed soon. I will need to conduct public outreach once this report is done. Maybe we can combine these trips and I could provide a site overview for Sandy and you.

Hi Victor,

Talked with Joy and she said Gilt Edge could pay for me to come along on this South Dakota trip that she's taking with Sandy Stavnes and Amelia Piggott on. Sandy was wondering if it would be worth it to take a look at Dewey Burdock and

get the lay of the land but maybe it wouldn't be without access! I'm willing to work on this if you need me to especially if I can go on this trip to shadow Joy anyway. Tell me what you'd like me to do!

Thanks,
